Oh how we love our "Theme dances." Our favorites: country dances, oldies and 70's and 80's. Morgan, Hannah and Terry rock out in a 70's attire.

**People First Language: "Labels are for jars." We are people first...My name is Helen. If it is necessary in the conversation to talk about my disability, I am a Person with an intellectual disability. I am a person who has a disability. This month we have been shredding that "R" ~~word~~. Please don't use it!**

Call Chad or Sean to get the details on the upcoming Minnesota Twins Trip. Once again, we are planning the trip around the 4th of July. Plan ahead.

**East Grand Forks Green Wave has really been a "TITLE WAVE", like my buddies at the Grand Forks Herald said.** The EFG Hockey boys just won the first State Championship ever! The East side girls were runners up in state. The Eastside Boys Basketball time also made it to state. Wow what great seasons for all of my friends across the river. I thought it was pretty nice what Eddie Eades did on Wednesday. He said, Hi to me and Terry H when they announced players. What a honor. Eddie is a great defenseman. He is already leaving Friday to play for South Dakota. Poolman is also going to play for the Fargo Force. Coco Piche did a great job for the Eastside Hockey girls...I am proud of her. Also a big high five to my buddy Ryan's sister, Carrie, who plays hockey, and their team just won it all in Mayville. Also, I will be at the Union this Wednesday, getting my big UND buddies to shred the "R" Word.

## NOTES FROM CARLA TICE

Dear Friends,

As the long awaited spring arrives, we take time to say goodbye to people that were a big part of the L.I.S.T.E.N. Drop-In. Our Angel on earth, Phyllis Buvick was a L.I.S.T.E.N. Board member, started the L.I.S.T.E.N. Choir, & was a founding member of the first Self-Advocacy group in the state, We Unite. We thank those who left memorials in her name. Staffers Gwenda and Michele lost their two beautiful nieces in a tragic car accident. Both Ivy and Holly were e at the Drop-In many times over their years with their Aunts, and also with another guests, their Dad, Brian, sisters and cousins. Our sympathy and prayers. Karen Johnson, also passed away, Karen has been a long time guest of Listen. We will miss you all. May you rest in peace. The lyrics from this song says it best.

*"I hope your dancing in the sky..*

*I hope your singing with the angels choir*

*I hope the angels, know what they have..*

*I bet it's nice up in heaven since you arrived"*

*(lyric, Dani and Lizzi,*

*Dancing in the Sky)*
